Walton St. Mary, Clevedon, BS21 7BX

Saturday 25th April 2009 from 2:30pm - 5:00pm

The Glass Association's recent local meeting in the Manchester Area was a great success. We have therefore decided to hold a similar meeting near to Bristol. Our aim is to spread the message about glass & we very much welcome friends & non members to this event. The meeting is intended to be informative & entertaining.

The main event is a talk by our treasurer Maurice Wimpory: "A Celebration of British & Continental Cut Glass from the Middle of the 20th Century".

A selection of items featured in the talk will be available to handle & examine. Please bring some of your own glass with you & tell us what you do or do not know about it.

We will also be selling back issues of [The Journal](#) & [The Cone](#) at attractive prices.

The cost will be £6 per person & will include tea, coffee & biscuits. If you would like to come to the meeting please send your cheque (payable to The Glass Association) to Mrs Humphreys - your local Committee Member.

Directions to the Church Hall & the final programme will be sent to you later.
