## CALL TO ARTISTS:

### \*Submissions Deadline 28/09/18: Call To Artists - 'Glorious Glass' in Aylesbury:

I hope you have been following our Glorious Glass Exhibitions & Events. So far these have included Taunton, Glasgow and Maidstone. Our next exhibition is in Aylesbury, Buckinghamshire.

"Glorious Glass" Exhibition, Aylesbury - 20 Years Of The Contemporary Glass Society. C.G.S. at Bucks County Museum, Aylesbury from 2<sup>nd</sup>. February to 23<sup>rd</sup>. March, 2019.

Closing Date For Submissions: Friday, 28<sup>th</sup>. September, 2018 at 17:00.

In the past we have used the old Arts Council Regions for these events, but these cover such a large area it means some members are miles from the venue and some members who are very near don't get the chance to show. This time we are setting no boundaries but are encouraging any member who feels that they are near enough to Aylesbury to get involved in the show, to go ahead and apply. This is an open show so there is no selection. All you have to do is send in your application plus images, pay an exhibition contribution of £45.00, and then - as long as there is room - you are in. Most of you will want to exhibit existing work but some of you may wish to make new work. As long as we know the approximate dimensions, showing requirements for the work and you send us a typical image of your work that will be acceptable until nearer the exhibition dates. We have two excellent areas at Aylesbury so there is plenty of space for a number of artists to exhibit and the Museum is very excited to work with us to present an excellent exhibition.

Download application form: <http://www.cgs.org.uk/news/glorious-glass-aylesbury-call-artists>

### \*Call To Contemporary Glass Society Members (& Those Wishing To Join), Glass Makers Fair:

Stalls are £10 each.

### \*Call To Entry Deadline - **REVISED DATE 30/01/19**: C.G.S. 'Inspired' Exhibition @ London Glassblowing:

This is a fantastic opportunity to apply to have your work in the UK's leading glass gallery. We are looking for truly *Inspired* work.

When Louvre curator George Salles once described the studio-home of Henri Matisse as a 'fantastic laboratory of visual alchemy', it was an affectionate referral to the artist's affinity for bric-a-brac.

Matisse drew inspiration and joy from everyday 'collectables', ranging from crockery and pottery, to a cage of live doves. As you may know, Matisse is not alone. From Dali and Duchamp, to the likes of Damien Hirst, many artists have created representations of the simple, everyday object.

London Glassblowing has embraced this concept as a theme for a new exhibition of work by Members of the Contemporary Glass Society.

In May/June 2019 London Glassblowing will be hosting '*Inspired*', a juried exhibition of work by Members of the Contemporary Glass Society. Participants will create a work of art in glass inspired by an object. For this exhibition the judges will be looking for new and original pieces and not just copies of the chosen object. Selected artworks will be displayed alongside a representation of the tangible object that inspired the piece.

The application form can be downloaded from

Website: <http://www.cgs.org.uk/news/call-artists-inspired-london-glass-blowing-may-2019>

We are looking for images to use for early publicity so if you have work ready now do send in your application, if the gallery like your work you might be one of the lucky ones that get in early.

**\*Entry Deadline 04/04/19: Stevens Competition 2019 & "Reflections Of The Lord Mayor" Design Competition:**

"The Stevens Competition for Architectural Glass Artist of the Year 2019, recently launched by the Worshipful Company of Glaziers and Painters of Glass, features a back lit panel 1.5 metre x 1.0 metre to be installed in the waiting area of the Proton Beam Therapy Unit (PBT) at University College Hospital, London. P.B.T. is a type of radiotherapy which uses a high-energy beam of particles to destroy cancer cells. The treatment is particularly suitable for complex childhood cancers and for dealing with brain cancer, head and neck cancer and sarcomas. The Unit is currently under construction and is due to be commissioned in 2020. It is anticipated around 1,500 patients will be treated every year.

University College Hospital believe that the provision of the Arts within a hospital environment is integral to patient wellbeing and a high quality, modern, patient-centred N.H.S. The aim is to provide a welcoming and uplifting environment for patients and visitors alike and the panel will play a key part in meeting this objective.

Entry to the competition is restricted to those who have started their vocation in glass practice within the last eight years. Full details of the competition are contained in a Brief which can be reached through the Glaziers' Website: [www.glazierscompany.org.uk](http://www.glazierscompany.org.uk) . Entries must be submitted to Glaziers' Hall, London SE1 9DD, by no later than Thursday 4<sup>th</sup>. April 2019. Prize giving is scheduled for Thursday 23<sup>rd</sup>. May 2019, to be preceded by a Seminar for participants in the competition. It is anticipated that the commission for the manufacture and installation of the panel will be awarded by University College Hospital to an entrant to the competition. Arrangements are also being made for selected designs to be displayed at the Stained Glass Museum, Ely."

We are also incorporating the "Reflections of the Lord Mayor" Design Competition (ROTLM) aimed at 16 – 24 year olds studying or working in the City of London and Greater London. The Stevens, as usual, requires the submission of a design and sample glass panel; the ROTLM simply a design.

### **NEWS (General).**

#### **\*Clarification: Alan J. Poole's 'Email Forwarding Service':**

For those of you who are still a little unclear as to my 'Email Forwarding Service'. Unlike the monthly newsletters which are text only and completely free, anyone wishing to use the forwarding service, there is a £5 in advance set fee, most easily payable by BACS (within the UK). If you would like to use this service, all you need do is email me what you would like to circulate, if all seems okay and appropriate, then pay the fee and I'll endeavour to deal with it as soon as I can.

**NB: Due to ongoing problems and group email restriction issues with my server, it will now take me much long to forward on messages and therefore I have had to increase this fee to £10.00.**

Please note: I do not edit, amend or doctor these emails in anyway. Whatever you send, will be forwarded on to my extensive database of either, artists/students, glass groups/guilds/societies, colleges/universities, collectors and museum curators e-addresses, (hundreds if not several thousand) according to the content of your message. Basically, this is a service for people wishing to sell items (glass, equipment, private classes, etc.) and or, needing to include images in a message. (Needless to say, I reserve the right to refuse any email that I consider to be inappropriate, without any reason needing to be given). Best wishes, AJP.
